Dear Sir,

I am writing to ask whether you would be so kind as to send me a list of the members of your Society with their postal addresses? If such a list is published in your proceedings I would gladly purchase the last number issued. If not, and if you have no objection to sending it, I should be ready to pay for the cost of having a copy made.

Lists of this kind have already been supplied by many societies; and they have proved invaluable in making ANTIQUITY known amongst those interested in archaeology.

Next year I propose to send out circulars to all those who are likely to become annual subscribers, whose names and addresses can best be obtained in this way.

Apologizing for troubling you.

I am,

Yours truly,

*The Hon. Secretary  
American Numismatic Society*

Dear Sir:

Yours of the 16th is at hand, and I regret that our Council does not permit me to send a list of our members for the purpose you indicate.

Very truly yours,
